DETAILED ACTION

Claim Rejections - 35 USC § 112

- 1. The following is a quotation of the second paragraph of 35 U.S.C. 112:
 - The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter, which the applicant regards as his invention.
- 2. Claim(s) 7-9, 13 and 14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
- 3. Claim 7 recites the limitation "said mobile devices" in lines 10-11. There is insufficient antecedent basis for this limitation in the claim. The limitation suggested more than one mobile device claimed which is different in the scope of the claim.

Allowable Subject Matter

4. Claim(s) 1, 2, 5 and 6 are allowed.

Response to Arguments

5. Applicant's arguments with respect to **claim(s)** 7-9, 13 and 14 have been considered but are moot in view of the new ground(s) of rejection.
